## General Information

I grow 20 acres of Gladioli and am in a position to offer true-to-name high grade bulbs. As no foliage is removed from my plants for cut-flower purposes my bulbs have vigor. My stock is highly recommended and is much used for forcing. Stock was dug during September.

Stock is sold F. O. B. Hammonton, N. J. and travels at purchaser's risk unless other arrangements are made.

No charge for boxing or packing. By my thorough packing, shipments arrive in good condition.

If shipment thru post is desired, patrons will kindly remit sufficient postage. Unused postage will be returned or extra bulbs forwarded. Customers will kindly state.

**TERMS:** Unknown correspondents will kindly furnish three references from parties in trade with whom they have had credit relations, otherwise cash must accompany order. No cash discounts are allowed unless order amounts to \$50 or more, on which a 5 per cent. discount is allowed. All stock offered and orders accepted subject to prior sale.

100 or more bulbs at 1000 rate. No orders accepted for less than \$3.00.
